225.7303-5 Aquisitions wholly paid for from nonrepayable funds.

(a) In accordance with 22 U.S.C. 2762(d), price FMS wholly paid for from funds made available on a nonrepayable basis on the same costing basis with regard to profit, overhead, IR&D/B&P, and other costing elements as is applicable to acquisitions of like items purchased by DoD for its own use.

(b) Direct costs associated with meeting a foreign customer's additional or unique requirements are allowable under such contracts. Indirect burden rates applicable to such direct costs are permitted at the same rates applicable to acquisitions of like items purchased by DoD for its own use.

(c) A U.S. defense contractor may not recover costs incurred for offset agreements with a foreign government or international organization if the LOA is financed with funds made available on a nonrepayable basis.

225.7304 FMS customer involvement.

(a) FMS customers may request that a defense article or defense service be obtained from a particular contractor. In such cases, FAR 6.302-4 provides authority to contract without full and open competition. The FMS customer may also request that a subcontract be placed with a particular firm. The contracting officer shall honor such requests from the FMS customer only if the LOA or other written direction sufficiently fulfills the requirements of FAR Subpart 6.3.

(b) FMS customers should be encouraged to participate with U.S. Government acquisition personnel in discussions with industry to—

- (1) Develop technical specifications;
- (2) Establish delivery schedules;
- (3) Identify any special warranty provisions or other requirements unique to the FMS customer; and
- (4) Review prices of varying alternatives, quantities, and options needed to make price-performance tradeoffs.

(c) Do not disclose to the FMS customer any data, including cost or pricing data, that is contractor proprietary unless the contractor authorizes its release.

(d) Except as provided in paragraph (e)(3) of this section, the degree of FMS customer participation in contract negotiations is left to the discretion of the contracting officer after consultation with the contractor. The contracting officer shall provide an explanation to the FMS customer if its participation in negotiations will be limited. Factors that may limit FMS customer participation include situations where—

(1) The contract includes requirements for more than one FMS customer;

(2) The contract includes unique U.S. requirements; or

(3) Contractor proprietary data is a subject of negotiations.

(e) Do not allow representatives of the FMS customer to—

(1) Direct the exclusion of certain firms from the solicitation process (they may suggest the inclusion of certain firms);

(2) Interfere with a contractor's placement of subcontracts; or

(3) Observe or participate in negotiations between the U.S. Government and the contractor involving cost or pricing data, unless a deviation is granted in accordance with Subpart 201.4.

(f) Do not accept directions from the FMS customer on source selection decisions or contract terms (except that, upon timely notice, the contracting officer may attempt to obtain any special contract provisions, warranties, or other unique requirements requested by the FMS customer).

(g) Do not honor any requests by the FMS customer to reject any bid or proposal.

(h) If an FMS customer requests additional information concerning FMS contract prices, the contracting officer shall, after consultation with the contractor, provide sufficient information to demonstrate the reasonableness of the price and reasonable responses to relevant questions concerning contract price. This information—

225.7305

(1) May include tailored responses, top-level pricing summaries, historical prices, or an explanation of any significant differences between the actual contract price and the estimated contract price included in the initial LOA; and

(2) May be provided orally, in writing, or by any other method acceptable to the contracting officer.

[67 FR 70325, Nov. 22, 2002]

225.7305 Limitation of liability.

Advise the contractor when the foreign customer will assume the risk for loss or damage under the appropriate limitation of liability clause(s) (see FAR Subpart 46.8). Consider the costs of necessary insurance, if any, obtained by the contractor to cover the risk of loss or damage in establishing the FMS contract price.

[56 FR 36367, July 31, 1991, as amended at 68 FR 15633, Mar. 31, 2003]

225.7306 Exercise of options for FMS.

Consider changes to cost and profit attributable to pricing differences between U.S. and FMS requirements when exercising an option to satisfy an FMS requirement. Also consider such changes if the option is already identified for FMS, but it is exercised for country B requirements instead of the country A requirements for which it was priced.

225.7307 Offset arrangements.

In accordance with the Presidential policy statement of April 16, 1990, DoD does not encourage, enter into, or commit U.S. firms to FMS offset arrangements. The decision whether to engage in offsets, and the responsibility for negotiating and implementing offset arrangements, resides with the companies involved.

225.7308 Contract clauses.

(a) Use the clause at 252.225-7027, Restriction on Contingent Fees for Foreign Military Sales, in solicitations and contracts for FMS. Insert in paragraph (b)(1) of the clause the name(s) of any foreign country customer(s) listed in 225.7303-4(b).
